The Gemini competition is organised annually by Lichfield Movie Makers. The competition is open to film making clubs in the region, and this year there were 7 entries. Judging is by audience vote. The way it works is that each club that enters the competition has one vote, but of course they can't vote for their own entry. The last date that Sutton Coldfield Movie Makers' name appears on the trophy is 1988.

This year the results were:

**1<sup>st</sup> “[The Decision](#)” - Sutton Coldfield Movie Makers**

2<sup>nd</sup> “A Year in the Life of President” - Nuneaton Moviemakers

3<sup>rd</sup> “Everyone Loves a Puffin” - Stoke Cine and Video Society.
