### 800 Entries

This is the first time that Sutton Coldfield Movie Makers have entered any Club films in a festival outside the UK, and we are proud of our success.

There were approximately 800 entries from 18 different countries. Our films were amongst the 104 films selected to be shown at the festival.

The films were judged by a Jury of 5 judges. The judges discussed each film publicly, and the audience were invited to participate in the discussion.

### Club Movies

Each of these films was made with the assistance/involvement of many members of Sutton Coldfield Movie Makers.

The scripts are original stories written by club members with input from many other club members.

Most of the actors are club members, with their families and friends helping as extras. The entire crew of both films were SCMM club members.

### Inspiration

Two SCMM members attended the event: Gordon Hunt (Chairman) and Jill Lampert. It was a very intense festival lasting from 6<sup>th</sup> - 12<sup>th</sup> June. It was held in a cinema in the town of Leoben, Austria, with film shows & discussion
